Re: October Monthly Report (9/1/10 9/30/10)

On September 9, 2010 this committee paid Winning Edge Communications for a piece of mail through a wire transfer from our Non-Federal account in the amount of \$75,760.00. That payment was made erroneously and should have been paid with an allocation of 15% Federal funds and 85% Levin funds. In order to reimburse the state account for the 15% federal portion of the \$75,760, the committee transferred \$11,364.00 from the Federal account on September 30, 2010 which is reflected on Schedule B of the October Monthly Report. In order to reimburse the state account for the 85% Levin portion of the \$75,760, the committee transferred \$64,396.00 from the Levin account on September 30, 2010 which is reflected on Schedule L-B of the October Monthly Report.
